## Rituals

At Victoria Cerise Pre-school we follow a daily routine based on the need to give small children a better sense of time reference throughout the day. Our routine is introduced by a ritual where children gather together on the carpet to discuss their day, the weather and the activities planned before putting their hands on it! This way they are able to learn about their day and its order.

## Progress and Parent communication

Parents are welcome into school every morning between 8 and 9 am to drop off their children and it is also the occasion to have a quick chat with the teacher. Every other day we upload photos on our class app, where parents can check the activities and have a peek in their days. Twice a year – December and June – you will receive a full report concerning your child's progress or there will be an individual parent/teacher meeting to discuss your child's progress.

## Outdoor play

Children go outside to play daily (weather permitting), and will have outdoor activities planned according to the weather.

## Learning Outside the School

We believe that children can learn as much in school as outside the school walls. Our playground can be transformed into an amazing learning experience: gardening and planting in science, running and ball games in gymnastics, jumping in puddles, etc. During the year, we also organise outings that are linked to the themes discussed in class.

## Nap

We understand that It is essential to respect children's biological rhythm. Therefore, after lunch time children are offered a quiet time either sleeping or reading quietly. Naps are not mandatory and are organised according to children's needs.

## Meals and Snacks for "Healthy Eating"

At Victoria Cerise Pre-school we encourage children to follow a healthy and balanced diet that will help the development of a healthy growing body, mind and immune system. Children have a morning snack around 10h30 am and an afternoon snack around 2 pm. Our morning snack consists of a soup to incorporate vegetables in their diet and in the afternoon they can be offered a dairy, fruits, veggies or toasts. We also offer a hot meal during lunch time following a balanced diet composed of grains, carbs, veggies and proteins. All meals are freshly cooked on site on a daily basis.

## Extra-Curricular Activities

On Wednesdays we provide different after school activities : psychomotricity, music, Yoga and storytelling in English and French. We also offer stages during school holidays.

## School hours

School doors open at 8.00 am and closes at 6p.m. A school day begins at 9 am and finishes at 3.30 (mornings end at 12.30 am). On Wednesdays the school closes at 5.30pm as we offer extra-curricular activities on site.

## Admission

At Victoria Cerise Pre-school we offer in-year admissions and we welcome children from 2 to 6 years old. An admission form should be completed and submitted to school to reserve a place.

## Punctuality and Absence

School days begin at 9 am and we believe it is important for your child to be present when the day starts. Parents are asked to inform the school office by 9.15 am if a child is absent for any reason.

## Garderie

A day care service is available in school every day from 8 am to 9 am and from 3.30pm to 6.00 pm and on Wednesdays from 12h30 till 5.30 pm.

## Clothing

We encourage your children to come to school wearing comfortable clothes that can get dirty due to the activities. We ask all children to bring in spare changes and indoor shoes.

## School Fees

(We are open for admission all year long)

<b>Full time offer</b>	<b>Part time offer</b>
